

CONSENT FORM FOR III LANGUAGE

Dear Parents,
Greetings!

We offer three languages from grade V onwards. English being the first language is compulsory, Hindi as the second language and the students have to choose any one out of French / Sanskrit as the third language. The language selected in grade V is to be continued as the third language till grade VIII. You are requested to fill up the consent form given below and send it to the class teacher. Note: If there are less than five students in a particular third language then it will not be viable for the school to offer that language as the third language. Then students will be asked to choose the other language as the third language.

With warm regards,

Poonam Saini
