FROM THE DESK OF THE PRINCIPAL

Nalini S.V Pathak
Principal and Academic Director
G.D. Goenka Public School, Indore

Dear Parents,

It is my pleasure to be communicating with you, on this platform.

You must already be aware that I have joined the school, as its Head, and carry with me a vast experience of having led institutions of exemplary repute.

Therefore, I am committed to raising the quality of education imparted, at all levels, to the students of this school.

I firmly believe that Education should endeavour to develop the entire personality of a child and prepare him/her for life as a complete human being.

School Education is most crucial for bringing about the desired change in society as it reaches out to thousands and makes a great difference to the community and the people it seeks to serve. As we move ahead into the future, we must be especially sensitive to the changing scenario in our country and to the needs of the children we seek to educate.

Nothing can make a greater positive difference in a child's life than to have a teacher who genuinely cares and works hard to bring about an improvement in every aspect of the child's life and personality.

The foremost objective of Education must be to prepare students to face life as confident and capable individuals who are mentally and emotionally strong, spiritually sound, and academically as well as professionally competent, together with having the goodness of soul and purpose to go out into society and change this strife-ridden world into a happy and peaceful one.

It appears an insurmountable task, but with able leadership, dedicated teamwork, and cooperation, these barriers can be turned into stepping stones. We are conscious of the world being diseased, and Education is the only panacea for the diseases that the modern world has engendered.

It is my belief that in times to come 'School Education' will stand apart as an institution that will be able to achieve this objective and soundly equip children to face the world and change it for the better.

I can say here, with conviction and commitment, that henceforth G.D. Goenka Public School, Indore, will be such an institution, where the aspiration of every child is met, where every hope and all the values that the child goes out with are given by the school, where they learn to live life fully, and appreciate it in all its varied, many splendid hues, where every student learns to face obstacles with grit and determination and a sense of self-purpose.

This is what our students will have learned, and will take away from G.D. Goenka Public School, Indore, when they walk out of its portals, after having completed their education.

In Order to achieve the above, both, the school and the parents, have to work in close coordination and in perfect sync. Only then, can we, together, succeed in bringing out the best in each child.

I, therefore, expect your support in order to help us to bring forth the very best in your child.

Warm regards and best wishes.

EXCURSIONS AND PARTICIPATION OF GOENKANS

OLD AGE HOME VISIT

The students were sensitized toward the needs of the elderly. They learned that they should take care of the elderly at home, whether they are parents, grandparents, or close family members. The residents at the old age home had motivated them all with their hankering hearts and unwavering hopes.

Though the students carried pre-packed snacks for the old people, they soon realized that all that the elderly needed was a little understanding, a sympathetic ear to listen to their stories, the company of their loved ones, and some amount of care. The elderly blessed the students and expressed their gratitude for paying them a visit. A society that does not value its elderly people, denies its roots and endangers its future. Let us strive to enhance their capacity to support themselves for as long as possible and when they cannot do so anymore, to care for them.

Design Introductory session by one of the leading institutes in India, ISTITUTO MARAGONI was held on April 6th 2023 at G.D.Goenka Public School. The session was organized for grade X and XII students. The resource person was Mr Maheep Babbur. He informed the students about the different career choices in the field of designing and about their branches in various parts of the world and the different courses offered by the Institute. Programmes offered include; Undergraduate Progression Programmes in London, Milan, and Paris like Fashion Design, Fashion Business, Fashion Styling, and Product Design. Under Postgraduate Executive Programmes they have courses like Luxury Brand Management and Digital Marketing, Fashion and Textile Design Management. They also provide short courses like Fashion Business and Entrepreneurship, Fashion Design and Illustration and many more. The session was very informative and students had many queries which were sorted by the resource person.

ISTITUTO MARAGONI DESIGN SESSION

VISIT TO ACROPOLIS IDEA LAB

ACROPOLIS
Enlightening wisdom

A visit to IDEA LAB of Acropolis Institute of Technology was organized on 4/04/2023, Tuesday for students of Grades X and XII by the school. It was surely an exciting and knowledgeable visit. For the first half an hour there was an Orientation Session by Prof. Gaurav Chaitanya who was a faculty coordinator, at AICTE IDEA LAB, Acropolis. Thereafter students visited the Lab. Various facilities at IDEA LAB include the availability of PCB Prototyping machines, MSO, DSO, CRO, and Motorized PCB Drilling Machine. Students viewed the working of a CNC Router, CNC Turning Lathe, Laser cutting and 3D Engraving Machine, 3D Printer and Scanner, Vinyl Cutter, etc. The mechanism was unique and interesting. Any external user can access these labs by paying a nominal fee and registration form. The infrastructure was good and the machines were maintained as well.

VISIT TO IIM INDORE

On April 19, 2023, the IIM Indore campus noted the joyful attendance of over 68 students from the Indore-based G D Goenka Public School. The 10th, 11th, and 12th-grade students had the chance to learn about the Institute and its numerous courses and amenities. The students heard an overview of the course from Mr. Ajay Dadlani. He also took part in the class photo with the students. IPM, a course that allows students an opportunity to enroll straight in a business school, piqued their interest. The IIM students discussed their time as IIM Indore students as well as how they aced the IPMAT and got accepted into the curriculum.

Additionally, they discussed their experiences living on campus and urged the students to make all of their decisions, whether they were personal or professional, from the heart. The sports complex, dorms, and academic facilities were among the stops on the students' campus trip. Five instructors from the school—Ms. Rashida, Ms. Priyanka Choubey, Ms. Dolly Kheria, Ms. Mavleen, and Mr. Milind—accompanied the visit. Overall, the trip was successful for the schoolchildren, who left smiling and filled with motivation from the campus.

MASTERS SUMMIT: MUN

MASTERS SUMMIT MUN in collaboration with ACROPOLIS INSTITUTE organized a Model United Nations (MUN'23) at the school level that provided a platform to students for debating, public speaking, writing, critical thinking, international affairs, etc. The MUN-23 brought together over 140 students from all the departments to recreate the United Nations General Assembly (UNGA), United Nations Educational, Scientific, And Cultural Organization (UNESCO), and United Nations Human Rights Council (UNHRC). Students participants from the school were

G D Goenka Public School, Indore, organized a trip to visit a small-scale factory Parle Production Factory in Sanwer Road, Indore for the students of grades VIth to VIIIth on 25th April 2023. The objective of this excursion was to give the students exposure to the industries from where they are getting some of their favorite food products which are mainly made by baking /dry heat process. They also got to know about the whole procedure along with cutting and packaging for marketing. Children were very much interested to know about the history of such a type of food item and were fully satisfied when they were shown a short documentary film where each and every corner of their productions were explained thoroughly. They came to know how a small domestic product also can be a BRAND only by dedication and eagerness to learn about the passion of a person.

90 students and 7 teachers were greeted by HR Manager Mr. Ashish Tiwari and his team. Through that documentary film Students came to know Mr Narottam Chauhan from Gujarat had a vision that he would reach his product to every common man in India at a very affordable price. He proved how a simple product can be a brand and lead the market.

STUDENT WELLNESS PROGRAMMES AT GD

BIOLOGY WORKSHOP

Under the CBSE Board Project work students of our Grade XII Science were taken to Maharaja Ranjit Singh College of Professional Studies, Indore on 26.05.2023 (Friday). Students were given hands-on training for bacterial enzyme work. They were introduced to the world of enzymes and their properties. Learning about the functions of enzymes produced by bacteria actinomycetes gave insight to our students about how they are useful at such a large scale with great efficacy. Niharika Gopalani worked on the estimation of cellulose degradation by three different isolated bacterial enzymes, whereas Aryaman Singh did his studies on the rate of cellulose degradation by a bacterial enzyme on three different plants ie. Wheat, lentils, and gram. They successfully worked under the guidance of the Head of the Biosciences Department Dr. Sheetal Bhasin in her laboratory. Students were satisfied with their work and the results they collected. They were escorted by PGT Biology Ms. Bhagyashree Adawadkar.

GD Goenka Indore in collaboration with Mind Wars and ZEE5 advocates to broaden the vision of our students by bringing student-centric web series into the classrooms! With this objective, a web series is screened for the students of Grades IV to XII, on the school premises which revolved around family, friendship, bonds, and God vs. evil in order to instill moral values in our future generations.

MOVIE SCREENING: ZEE5 AND MINDWARS

IIMUN: ORIENTATION PROGRAMME

In order to foster students' entire growth, G D Goenka Public School, Indore prepares them to become global citizens with an Indian mindset. To that end, we give them a platform by encouraging them to compete in various inter-school contests.

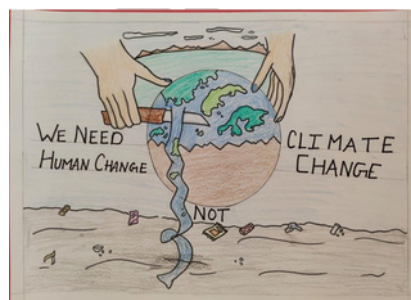

Hence, we decided to participate in IIMUN, and for the same, an orientation program was organized by Ms. Madhuri Chandrakar-Coordinator of IIMUN. Master Dhruv Agarwal, the senior Director, was the speaker to orient the students on 22nd June 2023. He has spent the last three years working for the company. He expertly described his experiences to the kids while keeping them all engaged and educating them about how this MUN differs from others. IIMUN 2023 will take place in Indore on July 21, 22, and 23. A book was given as a token of appreciation to Ms. Madhuri Chandrakar.

G.D Goenka School, Indore collaborated with Rotary Club and organized a dental checkup camp on school premises on Thursday, April 27, 2023. A team of dentists from Yashlok Dental, Face and Jaw Surgery Centre came for the dental checkup of the students of Grades I to V. The doctors brought a well-equipped sterilization box and examination tools to examine the students well. They spoke to the students about the importance of oral and dental care and explained in detail the root cause of the dental and oral health problems. The students were further briefed about how to avoid toothache-related problems and were made aware of the eating patterns and food choices which can lead to tooth decay. The young students cherished the chance to interact with the dentists to enquire and gain knowledge about their oral health and maintain good oral hygiene.

DENTAL CHECK UP

OPEN POSTER MAKING COMPETITION

‘When words fall short to express the language of the mind, soul, and heart, Art helps translate.’

In the continuum to the encouragement of expression, the school provides various platforms for the students to hone their skills and foster passion and confidence. The school focuses on the holistic development of the students and endeavors to involve students in different aspects of life outside the classrooms so that they grow up as well-rounded personalities. Keeping up with this vision, G D Goenka Public School, Indore, organized an Open Poster Making Competition for classes VI-XII on 21st April 2023. The theme- ‘SAVE EARTH’, for the competition was with a view to sensitize them about the conservation of natural resources and to motivate them to do their bit towards making their planet even more beautiful because “A true conservationist is a man who knows that the world is not given by his fathers, but borrowed from his children”. The teachers encouraged the students to participate in the competition which led them to learn that Earth Day serves as a conscious reminder of how fragile our planet is and how important it is to protect it. Through this competition, several participants created posters that illustrated a healthy atmosphere. The pupils painted their ideas about protecting the earth from pollution and other harm on pieces of paper. The children did an excellent job of portraying the threats to the planet, as well as the uniqueness of the planet, which was highlighted by the variety of hues used.

In addition to this, other students created a single poster that contrasted a healthy atmosphere with an unhealthy one. Not only that, but the students also added catchy slogans to their paintings to make the point they were trying to make. For the young Goenkans, participating in the competition was like an indulgence since they were able to combine their artistic talent with the ideas presented on the painting sheet. Furthermore, the way the young artists illustrated the originality and splendor of the planet was outstanding. HOD and teachers of the Art Department of the school adjudged the event.

RESULTS

Group 1 (Grade VI-VIII)

 2nd -Kanishka Sarda
 3rd - Bhoomi Dubey , Yuvraj Drolia

TEACHER ENHANCEMENT PROGRAMMES AT GD

ROBOTICS WORKSHOP

“The best way to predict the future is to invent it: Alan Kay”. Inspired by such wonderful and inspirational thoughts, the Robotics Training Workshop for teachers began at GD Goenka Public School, Indore on 5th June 2023. Keeping in mind the innovative and technological needs of various subjects, not only computer teachers, but teachers from other disciplines such as Science, Mathematics, and English became an integral part of it. The 24-hour long training workshop, headed by Mr Rahul and Ms Ankita from Bidyut Electronics spanned over two weeks, filled with a lot of learning and new experiences for our keen and enthusiastic teachers. The hands-on robotic projects made by teachers during the training were mainly based on hydraulic, pneumatic, solar-based, and electronic (coding based: Python) systems. Overall, the teachers felt benefitted and delighted by this entirely new learning experience, thus getting ready to impart the same learning and experience to students in their upcoming robotics classes.

CLASS ASSESSMENT AND EVALUATION WORKSHOP

“If you are planning for a year, sow rice; if you are planning for a decade, plant trees; if you are planning for a lifetime, educate people.”

Well said by an anonymous. We all agree with the fact that learning for teachers is an ongoing process that helps them improve their teaching abilities, acquire new knowledge, and gain new skills, all of which help students learn more effectively. Thus, to introduce a new paradigm in the teaching and learning process, Ms. Nalini Pathak, The Principal of the school, led the engaging, creative, and effective two days workshop on the 21st and 23rd of June in the school's premises. On the first day, She covered- ‘CLASS ASSESSMENT AND EVALUATION’. She emphasized the need for careful planning of the learning sessions, the use of a variety of instructional strategies and materials, and the utilization of examples from children's daily lives to help them understand concepts more clearly. She even recommended using effective planning strategies to make the best use of the resources that are available. She recommended that evaluations be conducted using well-organized techniques. She also urged that the pupils adopt the same principles. She talked about how educators are the organization's weapons and how they must collaborate to achieve a win-win outcome for everyone.

The second day of the workshop included - REVAMPING AND STRENGTHENING THE ACADEMIC OPERATIONS. She helped the teachers realize the many diverse facets of multiple intelligence in a very subtle and original way. The course sought to assist instructors in fostering both their personal and professional growth. To enable instructors to have a greater impact in the classroom, she places emphasis on keeping a positive outlook and motivating level. She informed us of the several level-specific observation rubrics used by teachers. The notebook correction was a topic that was thoroughly discussed.

The workshop was concluded by suggesting the teachers utilize good techniques for planning, implementation, and evaluation. The workshop was reflective and goal-oriented.

INTERNATIONAL YOGA DAY: JUNE 21ST

"Yoga is the journey of the self, through the self, to the self."- Quoted in Bhagavad Gita

Every year on June 21, the globe celebrates International Yoga Day to bring attention to this age-old discipline and to recognize the benefits yoga has had on people's physical and spiritual well-being. Yoga is a practice that is effective for calming the body and mind and enhancing one's immune system.

As G D Goenka promises and proves the fact, the 9th International Yoga Day was observed at the School. A Team from DAVV University initiated a yoga session called "Joyful Stretch." which was enjoyed by the students of grades 6 to 12. In addition to educating kids about the benefits of physical activity, Master Raj Rajole, the state's youngest yoga instructor, organized a dance performance on yoga that inspired the students to push their limits by doing yoga on a regular basis.

Ms. Poonam Vishal Jewell and her team continued to lead meditation classes in which students learned about SAHAJ YOGA, which boosts self-esteem while restoring balance and a sense of well-being. Additionally, it renews vitality and brings back hope, tranquility, and satisfaction. By doing this, one can learn how to control their own attention and concentrate on the present with openness, acceptance, and curiosity. It was the day dedicated to promoting global harmony and peace and spreading awareness about the benefits of Yoga.

ACHIEVEMENTS AND ACCOLADES

"Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing or learning to do."

We are proud of Prince Bhartiya of grade IX who won gold medal in 6th MMA National Championship.

Big congratulations to Champion *Prince Bhartiya.* and best wishes for future endeavors.

GOENKA SPELLIANS

The foremost step in a child's life is learning a language because it enables them to communicate with the outside world. Schools play a crucial role in helping to prepare children for this journey.

Students from the G. D. Goenka Public School participated in the online INDIA SPELLING BEE Competition, which intended to increase students' active vocabulary and raise awareness of the opportunities for employing a variety of words in oral and written communication.

The tournament was set up for groups of students in classes I through IX. It involved dictation, spelling selection, and sentence framing.

The school's Toppers from Group 3, group 4, and Group 5 received medals and certificates from the principal, Ms. Nalini Pathak, on June 24, 2023, during the assembly. These winners will compete at the regional level. We wish them - All the Best!

The Toppers are:
Group 3: Sharvi Sinha
Group 4: Shreshthh Joshi
Group 5: Zaarah Shaikh

PRIMARY AND PRE-PRIMARY CLASSROOM NEWS

RED DAY CELEBRATION

Colors are indeed the smiles of nature. The Red Day celebration was a wonderful learning activity that helped the children to sort and classify objects based on colors thereby reinforcing Cognitive Skills. It was a scintillating day with innocent faces gleaming and reflecting, joy, love, and happiness. The Red Day celebration was held on 20th April 2023 Thursday, and children participated with zeal and enthusiasm. The students from class Nursery to KG-2 were part of the celebration, where there was the spread of activities like games, lollipops, and takeaways too. The children sprung with joy getting their pictures clicked in the Red-colored picture booth followed by games like "I Spy", relishing watermelon lollipops and towards the end of the day going with self-made takeaways was real fun for them.

SHOW AND TELL

Show and Tell activity held on 18th April 2023 to strengthen the verbal skills and to foster public speaking competency of the young minds. The students from Nursery to KG - II. The topic was 'My SELF'. Children brought their favorite objects and excitedly shared them with their friends which enabled them to communicate their thoughts, feelings, and emotions. It was an interesting learning experience for the tiny tots.

WORLD EARTH DAY

World earth day was celebrated at GD Goenka Public School, Indore to spread awareness about conserving the earth. The program started by guiding the students on how we should conserve our earth and mother nature. We should try and plant trees, and keep wet waste and dry waste separate in order to make way for easy decomposition. We should try to implement the rule of 4 R's, that is re-use, re-cycle, reduce, and repair. The students of Grades III -V designed a headgear depicting the ways in which they can help Earth. In the end, students were guided to plant one sapling in their name and water it every day for helping nature. We all pledged to reduce the use of plastic and use paper and cloth bags. We also took the initiative to plant and water trees in our school and locality.

WORLD PET DAY

Every year World Pet Day is celebrated on 11 th of April. It marks the joy that pets bring into people's lives and encourages people to help reduce the number of animals in animal shelters through adoption. The prep wing of G.D. Goenka School, Indore celebrated this day to sensitize our little Goenkans to take care of their pets and stray animals. They interacted with live pet dogs and cats from Dog's Villa. Mr Akram demonstrated various skills of dogs and he also gave an insight into how to take care of their pet. Children went home with a positive thought of being sensitive towards animals. The best part of the celebration was that the school made a donation which will be used for taking care of the abandoned and orphaned cats.

SUMMER HOLIDAY EXCURSION

CALL OF THE SNOW

AN ADVENTUROUS TRIP TO 'BIR BILING'

In addition to the academic development of the personality that takes place in the classroom, co-curricular activities help to better instill aesthetic development, character development, spiritual and moral values, physical growth, and creativity.

With the motto "To Travel is to Evolve", G D Goenka Public School, organized an adventure trip to Bir Billing, Himachal, introducing the students to adventure, culture, people, and landscape over the summer break (15 May – 21 May 2023). The 20 students were given the opportunity to see, learn, and explore while also having fun and creating lifelong memories.

The natural splendor of Himachal and a two-day stay at The Colonel's Resort in Bir Billing were undoubtedly the first and foremost highlights of the trip. For the pupils, paragliding, river crossing and rock climbing were additional once-in-a-lifetime experiences.

The seven-day trip was undoubtedly an extraordinary educational experience for all of the children, during which they all gained a variety of life skills, learned a great deal about science and history, and, most importantly, developed greater levels of independence and responsibility. This journey was incredibly valuable in terms of a learning experience that produced a tonne of lovely memories. The trip was escorted by Mr. Aziz Qureshi, Ms. Surbhi Gupta, and Mr. Deepak Gurjar.

MY EXPERIENCE: STUDENT'S REFLECTION

Dravya Jain
Grade X

"My school trip to Himachal Pradesh's Bir Billing was an enchanting adventure that left me in awe of the region's breathtaking beauty. From the moment I arrived, the picturesque landscapes and majestic mountains captivated my senses, creating a sense of wonder and appreciation for nature's wonders.

The nature safari and waterfall trek brought immense joy, but the highlight was undoubtedly my first paragliding session. The thrill of taking off from the hilltop and soaring high above the valleys was indescribable. The Buddhist monastery elevated our spirits, creating a serene atmosphere. The accommodation provided was outstanding, offering a serene retreat that harmoniously blended with the surrounding environment. This trip has truly fostered a deep connection to nature within me, and I will cherish these memories for a lifetime."

"My expedition to Bir Billing was a whirlwind of excitement, adventure, and natural beauty. The trip will always be an unforgettable memory and I will always cherish it in my lifetime. It was filled with laughter, happiness, and excitement. The most important highlight of the trip, for me, would be my first paragliding experience. Known as the paragliding capital of India, Bir Billing definitely offered me the best paragliding experience I could ever have. It was extremely thrilling and fascinating to fly over the stunning landscapes of Bir Billing. We explored the enchanting surroundings of Bir, hiked through the serene forests, and got to view those beautiful snowy mountains, glistening rivers, and idyllic meadows creating a symphony of nature that rejuvenated my soul. We also visited a Tibetan monastery, where I witnessed the monks in their daily rituals and felt a sense of serenity envelop me. It was an absolutely thrilling journey and at the same time, it taught me some really important things. Above all, I'm thankful to all my friends and teachers for making this trip of mine an unforgettable and beautiful memory in my life."

Shubhi Bam
Grade XI

INSPIRING WORDS FROM THE DESK OF THE DIRECTOR Ms. Preeti Assudani

नेतृत्व

"सूरज की तरह की तरह चमकने के लिए,
सूरज की तरह जलना भी पड़ता है"

किसी भी मिशन की सफलता के लिए रचनात्मक नेतृत्व आवश्यक है। नेता, प्रतिनिधि, सरदार, नायक, संचालक या पथ प्रदर्शक इन सभी शब्दों में एक समानता है, की किसी एक समूह को अपनी उच्च सोच, संवाद कौशल, और सामाजिक भावना से प्रेरित करके एक निश्चित लक्ष्य की प्राप्ति करते हैं। इस कार्य को सुचारू रूप से परिपूर्ण करने की क्षमता को साबित करने वाला होता है नेता। जो व्यक्ति अपने अपने कार्यों को ईमानदार पूर्वक करता है वही सफल होकर नेतृत्व कर सकता है।

एक बार यह पद प्राप्त करने पर अपना यह महत्वपूर्ण कार्य पूरी जिम्मेदारी, शारीरिक व मानसिक स्वास्थ्य, उच्च विचार, सकारात्मक सोच, धैर्य, बुद्धिमता, नम्रता, साहस स्पष्टता, दृढ़ता, कठिन मेहनत एवम नवीनता के साथ सुचारू रूप से करना चाहिए।

"दूसरों का सफलता के लिए मार्गदर्शन करना ही है सच्चा नेतृत्व"

"हमको मन की शक्ति देना
मन विजय करे
दूसरी की जय से पहले
खुद को जय करे"

हम नेतृत्व करें पहले अपने विचारों का, अपनी भाषा का, अपने व्यवहार व गुणों का और अपने विकारों का।

अपना नेतृत्व करके अपनी बुराई को अच्छाई से, आलस्य को ऊर्जा से, ईर्ष्या को सामंजस्य से प्रतिस्थापित करना चाहिए।

"जो अपने मकसद के साथ सौदा नहीं करते वह मंजिल पर ही नजर आते हैं"

नेतृत्व करना एक कला है और इसको करने वाला कलाकार हर कलाकार अपनी कला को पूजा समझकर करता है। अगर आप अपनी इस कला में कामयाब हो गए तो आपको दुनिया की कोई ताकत एक अच्छा इंसान, अच्छा नागरिक, और सफल नेता या लीडर बनने से नहीं रोक सकती।

जो राह जानता है,
राह पर चलता है,
राह दिखाता है,
अगर राह नहीं होती तो,
राह बनाता है।

शुभकामनाएं
प्रीती आसुदानी
